FOR ALL COMMUNITY MEMBERS AND SERVICE PROVIDERS

Red Dust Healing is a self-evaluating awareness program derived from an ancient Aboriginal perspective that helps individuals deal with the hurt, anger, grief, loss and issues in their lives.

The program introduces participants to visual holistic tools that provide understanding and then empowers individuals to make better choices in their lives. Though the program comes from an Aboriginal perspective the program is not just for Aboriginal people it is for all people. To date Red Dust Healing has been delivered to over 13,000 people in over 400 communities Australia wide & internationally. We invite you to join us in attending this highly recommended program.
